

STAINLESS STEEL INDUSTRIAL PARK Jajpur, ODISHA

JSL Stainless welcomes all Stainless Steel product manufacturers to set up their units in a world class manufacturing hub adjacent to its 1.6 million tons per annum fully integrated stainless Steel plant.

A part of the OP Jindal group, JSL Stainless Ltd. (formerly JSL Limited) is India's largest fully integrated Stainless Steel manufacturer and globally recognized producer of Stainless Steel flat products in Austenitic, Ferritic, Martenistic and Duplex grades. The product range includes Ferro Alloys, Stainless Steel Slabs & Blooms, Hot Rolled Coils, Plates, Cold Rolled Coils and Specialty Products such as razor blade steel, precision strips and coin blanks.

JSL Stainless's Steel capacity after full expansion of Odisha will be about 2.5 million tons per annum.

JSL Stainless: ODISHA

This fully integrated Stainless Steel plant will have an installed capacity of

1.6 million tons per annum

JSL Stainless is setting up a fully integrated Stainless Steel plant with complete integration from mining to cold rolling, along with 500 MW captive power plant at Jajpur, Odisha. This will be one of the most cost competitive Stainless Steel plants in the world.

STAINLESS STEEL INDUSTRIAL PARK

JSL Stainless is developing a Stainless Steel Industrial Park (SSIP) adjacent to its 1.6 million tons per annum integrated Stainless Steel plant in Odisha. The area for this Industrial Park is about 300 acres including both SEZ and Non-SEZ areas. This Industrial Park will have a large Service Centre and various facilities to produce Stainless Steel products for various applications. The Service Centre will process the coils from Stainless Steel plant and provide customized sizes to the facilities in the Industrial Park.

JSL Stainless will develop, operate and maintain this Industrial Park and the associated infrastructure including education, recreation and healthcare facilities. JSL Stainless is committed to develop this Industrial Park in to a world class Stainless Steel manufacturing hub and invites investors to put their facilities in this park focusing on Stainless Steel products. JSL Stainless assures long term Stainless Steel availability at concessional rates in addition to availability of land, power and water.

Key Highlights

The plant and the Industrial Park sites are well connected by the Road & Railway networks and are located within 150 kms from the mines and shipping ports.

Location & Connectivity:

Roads:

- Connectivity through major highways NH-5, NH-215, NH-5A, NH-200
- The expressway connecting Paradip port is 8 kms from plant
- State capital, Bhubaneswar, is 110 kms, from plant

Railways:

- The main railway station on South-Eastern rail line, Jajpur Road, is 12 kms from plant

- Connected to the Sukinda Railway Station which is 5 kms from the plant

Ports:

- Number of major and minor ports being developed in the coastal areas of the state
- Major port, Paradip, is at a distance of 125 kms
- Dhamra Port is at a distance of 135 kms

Raw Material Supply:

Raw material will be supplied at concessional rates to the units in the industrial park.

Research & Development facilities:

The units will have access to the R&D facilities to develop new products and improve the knowhow of fabrication and processing of Stainless Steel.

Land & Utilities:

Land allocation, power and water supply will be arranged as per the requirements of the units in the Industrial Park.

Common Infrastructure:

Infrastructure such as internal roads, service center, warehouses, power and water distribution networks and effluent treatment will be developed within the Industrial Park.

Social Infrastructure:

Schools, hospitals and club facilities will be provided.

Communication System:

Telecom and internet facilities will be available.

Special Economic Zone (SEZ), Policies

The units under SEZ area of the Industrial Park can avail the following major benefits:

- No duties and taxes on
 - Raw Material
 - Plant and Machinery, Building and Construction
 - Consumables, Stores, Spares and Services during operations
- Income Tax
 - Zero Income tax for first 5 years of operation for the profits from exports
 - 50% Income Tax from years 6 -10

Products Offered

Stainless Steel - Dimensions

Products	Max Width (mm)	Thickness (mm)	
		Min	Max
Slab	1650	160	250
Hot Rolled Coil	1650	2	12.7
Plates	1650	12.7	80
HRAP Coil/ 2E Coil	1650	1.4	10
CRAP Coil	1600	0.3	5

Stainless Steel - Finishes

SURFACE FINISH	DEFINITION
No. 1	Hot rolled annealed, shot blasted and pickled.
No. 2	Dull Cold rolled annealed and pickled.
No. 2B	Cold rolled annealed and pickled and skin passed; given an appropriate luster by again cold rolling.
BA	Bright annealed finish; processed with bright heat treatment after cold rolling.
No. 3	Cold rolled annealed and pickled and polished with 100 to 120 grit.
No. 4	Cold rolled annealed and pickled and polished with 150 to 180 grit.
Scotch Brite	Very fine hairline finish generated by polishing with rolls made out of scotch brite material.

Other Sizes / finishes can also be supplied by mutual agreement

Units will be entitled to the benefits as per the Industrial Policy of the state of Odisha.

Govt. of Orissa Industrial Policy 2007

Provisions and facilities

Thrust Sector

- Agro- Processing
- Textile
- Automobiles
- Apparel
- Auto-Components
- Ancillary & Down stream

Note: Odisha is being promoted as an attractive destination for Metal Downstream Industry. Hence, maximum scale of incentives will be applicable to the units in the Thrust sector.

Priority Sector

Units not qualifying for "Thrust Sector" status because of minimum capital investment criteria.

Fiscal Incentives Offered

Entry Tax:

- Exemption on plant & machinery and raw materials - Case to case basis

CST:

- At concessional rate not exceeding 2% for 10 years limited to 100% of Fixed Capital Investment (FCI)

VAT Reimbursement:

- Thrust Sector 75% of VAT paid for 10 years limited to 200% of FCI
- Priority Sector 75% of VAT paid for 5 years limited to 100% of FCI

Interest Subsidy:

- At 5% for 5 years limited to Rs. 100 lacs

Power:

- 100% ED exempted for 5 years up to 5 MW

Industrial Park- Products

Automobiles, Railways & Transport

- Auto Components
- Auto Exhaust
- Auto Trims
- Gaskets
- Rail Wagon/ Coaches
- Bus Bodies
- Tippers

Industrial Goods

- Cold Rolling, Precision
- Power Plant Equipment
- Pharma
- Chemical
- Refinery
- Dairy

Consumer Goods

- Appliances
- Washing Machines
- Microwaves
- Dishwashers
- Gas Stoves

Pipes & Tubes

- Heat Exchanger & Condenser
- Industrial
- Instrumentation
- Auto
- Decorative
- Structural

Architecture, Building & Construction

- Office & Home Furniture
- Doors & Window Frames
- Street Furniture
- Sinks

Kitchen wares & Lifestyle

- Cookware
- Hollowware
- Tableware
- Kitchen Tools
- Modular Kitchens
- Sculptures
- Lifestyle Products
