

Steel joint secy visits JSL Kalinganagar unit

Upendra Prasad Singh, joint secretary, Union ministry of steel, recently visited the plant of Jindal Stainless Limited (JSL) at Kalinganagar in Jajpur district. During the visit, Singh went around the plant and took keen interest in all the operations. He appreciated JSL's plantation in and around site as a part of its green drive initiative. The central government official also visited the rehabilitation colony recently constructed by the company at Kantipur and said it could be a role model for other rehabilitation projects.
